

Aakar Academy of Art

We Are For Art

Diploma in Fabric Designing, Printing & Production:

Fabric Designing is an art practiced in India for ages and India is famous for its rich cultural heritage of exquisite traditional textiles.

Structure:

It is an intensive program that introduces the student to the intricacies of working with different fabrics. It exposes the student to basic and advanced techniques of fabric processing using cold and hot dyeing techniques using both natural and chemical dyeing processes. The programme also employs several hand dyeing techniques and includes block and screen printing techniques.

The Curriculum:

- **Foundation**
 - ✓ Introduction to Fabric(natural and Synthetic Fabric)
 - ✓ Surfaces of Different Fabric
 - ✓ Different Application of Fabric
- **Course**
 - Basic Design Skills:**
 1. Basic Design & Arrangements
 2. Drawing and Sketching
 3. Colour & Texture
 4. Fabric Study
 5. Traditional Sketching
 - Fabric Design Abilities:**
 1. Placement of Design
 2. Design Ideas
 3. Textile Designs
 4. Colourways
 - Creative & Traditional Fabric Crafts:**
 1. Fabric Painting
 2. Tie & Dye
 3. Batik
 4. Stencil
 5. Dye Painting
 6. Block Printing
 7. Screen Printing
 - Dyeing & Printing Techniques:**
 1. Plain Dyeing.
 2. Block Printing
 3. Screen Printing.
 4. Creative Hand Painting
 5. Innovative Printing Designs
- **Projects**
 - ✓ Product Designing
 - ✓ Combination of Different Techniques
- **Field study**
